

# REGISTER FOR IBM CLOUD

Following the steps the team has registered for IBM Cloud Services:

Anandharaman's Account:

Abinеш's Account:

## Barath's Account:

The screenshot shows the IBM Cloud Dashboard for Barath's Account. The top navigation bar includes the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account. The dashboard is titled "Dashboard" and features a sidebar with navigation icons. The main content area is divided into several sections:

- For you:** A row of seven cards with icons and titles: "Build", "Build a web app with Watson Speech to Text", "Get Started with Watson Studio", "IBM Watson Knowledge Catalog", "Build a Virtual Private Cloud (VPC)", "App Connect", and "Build a virtual machine". Each card includes a brief description and a "Getting started" button.
- News:** A section with a blue background and white text, listing recent news items like "IBM Cloud Satellite New Pricing" and "IBM Watson Orchestrator Is Integrating with ThisWay Global".
- Recent support cases:** A section with a blue background and white text, listing recent support cases.
- Planned maintenance:** A section with a blue background and white text, listing planned maintenance events.
- IBM Cloud status:** A section with a world map and a "View all" link.

## Brajesh's Account:

The screenshot shows the IBM Cloud Dashboard for Brajesh's Account. The top navigation bar includes the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account. The dashboard is titled "Dashboard" and features a sidebar with navigation icons. The main content area is divided into several sections:

- For you:** A row of seven cards with icons and titles: "Build", "Build a web app with Watson Speech to Text", "Get Started with Watson Studio", "IBM Watson Internet of Things Platform", "Build a Virtual Private Cloud (VPC)", "Incorporate DevOps into your process", and "Get started with Watson Discovery". Each card includes a brief description and a "Getting started" button.
- News:** A section with a blue background and white text, listing recent news items like "IBM Cloud Satellite New Pricing" and "IBM Watson Orchestrator Is Integrating with ThisWay Global".
- Recent support cases:** A section with a blue background and white text, listing recent support cases.
- Planned maintenance:** A section with a blue background and white text, listing planned maintenance events.
- IBM Cloud status:** A section with a world map and a "View all" link.

## Karthik's Account:

The screenshot displays the IBM Cloud Dashboard for user S Karthik's Account. The interface includes a top navigation bar with the IBM Cloud logo, a search bar, and links to Catalog, Manage, and the user's account. The main content area is titled "Dashboard" and features a "For you" section with several recommended actions, each with a "Getting started" button and a time estimate. Below this, there are four sections: "News" with a list of updates, "Recent support cases", "Planned maintenance", and "IBM Cloud status" with a world map. The "News" section lists items like "IBM Cloud Satellite New Pricing" and "IBM Cloud Data Shield Deprecation". The "Recent support cases" and "Planned maintenance" sections each have a "View all" link. The "IBM Cloud status" section shows a world map with a "View all" link and a "Report issue" button.
